CLUB LETTER

This is to say a big "Welcome" to those who have already joined our exclusive Ultra Club...your Membership in U.V.M.C.C.(and T.T.C.A.), all Notices of Meetings and Trips, and your monthly Magazine issues will soon start arriving. Also, a big thank you to all who replied to the SPECIAL MESSAGE from the factory. My wife and I have been so pleased with our #228 that I suggested we start a Club of owners, and the factory gave their blessing to the idea.

We are being incorporated as a non-profit association, and are now accepting Charter Memberships. The dues have been set at only \$10.00 annually, which will eventually cover the legal and other costs. It is the plan to have quarterly Rallys, other impromptu shorter trips; get together, share experiences, exchange ideas, make new friends, have fun. Also, in numbers there is strength in the case of mutual benefits: better insurance rates, code problems, state, county, city legislation, use of Parks, protection, etc.

Included with the membership in your own "ULTRA Club", goes also your membership in the large T.T.C.A. organization with it's thousands of members, plus including a subscription to their very interesting MONTHLY magazine.

We hope that you will become a Charter Member of the Club.

Sincerely yours,

Membership Director
