PRESIDENT MESSAGE

MAY 1984

Dear Ultra Members,

Again, it is a pleasure to report about another great "May" Rally held on the foothills of the Sierra Mountains along the Kings River located east of Fresno, California.

Fred Leary, Chairman of the By-Laws Revision Committee, outlined to me the proposed format of changes covering scope, activities and procedures of operation; however, the By-Laws are not in final form to date, as he is awaiting input from his committee of Edna Newhouse, Maybel Griggs, Mel Dinesen and Robert Ackerman. At this point in time the By-Laws appear very helpful to our Club. (Granted -- my opinion is limited to one vote like yours at the National Rally.)

Therefore, it is very important that as many members, as possible, attend the National Rally -- to both contribute and vote on the final form of the By-Law Revision.

We look forward to seeing you there.

Bob & Roberta Franz

GOOD & WELFARE

- Evelyn Shepherd -- said "Thank you very much for the kind words of sympathy."
- Bob Worland -- we hope your health will be good soon; Gwen, tell him to "fire up the engine."
- Rachael Helander -- slow that heart down; Bill, tell her it is the Ultra that acts up, not the occupants! Anyhow, get well and show up.

THREE IN A ROW AT PINEFLAT LAKE RALLY (FRESNO)

A really genuine "ultra time" was had May 10 thru 13th (MOTHERS DAY) at above locale.

It was hosted by O'Maras & Mosleys. There were 22 ultras present, 7 Brand X's and 10 couples in cars or trailers. President Franz arranged with the weather bureau for a beautiful week-end. A typical program ensued:

Morning Koffee Klathches; Tech Sessions, (3) Recipe Swapping; Business Meeting and three (3) potlucks which got succesively smaller and better.

Prize for greatest distance went to Evie Shepherd and Tom's sister who brought Evie in a Toyota "Sunrader". Barr Musser and Thelma, Salt Lake City, were a close second. Another guest was Musser's daughter in GMC Brand X. Some twenty families attended the Sunday devotional hour.

Respectfully submitted,

Dee Moseley

A personal note from Len and Edy Ryerson..... THANKS TO ALL THE ULTRA FRIENDS who telephoned, wrote cards and letters, and visited, while Len was going through surgery and his following recovery. It means SO MUCH to be remembered at stressful times like these. For many who inquired just what the "Rotorooter" (Newsletter) meant, here is the answer: He has had two surgeries (L & R side) called ENDARTERTECOMY. This means opening the carotid arteries in the throat, which lead and feed blood to the brain, removing the plaque build-up and putting him back together. This, Len says, equals an aircraft 8000 hour overhaul! He is doing great and we thank you all once more for your thoughts and prayers.

HIGH-LIGHTS OF THE RALLY

Another successful Rally in all ways! We were honored by the attendance of our Club President Bob Franz who stated this was a Fun Rally and limited to only an informal discussion of activities, that any and all Club business would be deferred until the Business Session at the National Rally scheduled in October 1984.

Attendance at Fresno Rally

The Rally Wagonmaster report was made by Mel Dinesen; there were 31 couples (and individuals) -- 25 from California, 3 from Oregon, 2 from Arizona and 1 from Utah.

The longest ravel distance to this Rally was from Portland, OR and the shortest from Bakersfield, CA .

QUARTERLY TREASURER' REPORT (see details report)

Progress Report of By-Laws Revision

Fred Leary, Chairman of the By-Laws Revision Committee, said that although the draft is taking shape, it is not in final form as he is awaiting input from his committee; that the Revision is to setforth by categories of activities, etc. through simple procedures to make the functioning easier and smoother -- and not to change the Club as incorporated. Fred indicated that both he and his committee will meet the preparation on schedule for the President' presentation.

RALLY at CLERBROOK RESORT CAMPGROUND, CLERMONT, FLORIDA 3/21--25, 1984

A beautiful campground and a beautiful sight--Ultras and more Ultras plus a few of the other kind. And sunshine after lots of the wet stuff on the way for those of us who weren't so fortunate as to spend most of the winter down South. That's the way it was at the Rally March 21--25, 1984 at Clerbrook Resort Campground near Clermont, Florida. The hosts, Pat and Margie Fitzgerald and Jean and Betty McMasters, are to be complimented for work well done. Son, Sean Fitzgerald, served as a very alert sheriff, collecting \$3.00 in fines. Guess his Dad had to wear his badge to bed.

Wagonmaster Gus Brining reports 23 Ultras, 3 Brand X's, 53 people which included several children and grandchildren plus 3 dogs. Twelve states were represented: Florida 12, Ohio 3, New Jersey 2 and 1 each from New York, Maryland, Indiana, Michigan, Texas, Colorado, Mississippi, Alabama and Illinois. Maybe we all like to see our names in print:

Early coffee for those who couldn't wait and then later coffee with orange juice and goodies started the days, followed by tech sessions tutored by Chance Fitzgerald and helpers on rebuilding carburetors with warning "Don't lose your gaskets." (Is that like "Don't blow your top?") Ladies crafts with lots of show and tell--pickled people, footwarming rugs, bits and pieces afghan, etc. Potlucks Thursday (with 52 people) and Saturday nights--good food, of course. Chance and Margaret Fitzgerald provided sing-along music Thursday night. Yankee Swap Saturday night was lively. Some took part in Campground square dancing Friday night--some just watched.

Men had Ultra flea market--selling and buying.

Friday the men wanted to look over Sky Craft parts so kindly deposited ladies at Altamount Mall to "do their thing". Turned out to be quite a "merry-go-round" but ended happily in true Ultra fashion. Ladies' night out at local seafood restaurant provided excellent food and lively conversation.

Ultras caused maybe more than usual interest from Campground residents--many stopped as they biked round and round. One couple from Kansas, intrigued by "Made in Hutchinson, Kansas" logo, had their curiosity satisfied with full story.

Oh, yes, a huge turtle laying its eggs caused quite a stir and audience--no privacy whatsoever.

Some of the Rally-ers had to leave on Saturday, most departed Sunday, some after attending Resort worship service, and a couple of stragglers hung on until Monday.

A most enjoyable Rally.

REPORT OF MEETING - MARCH 22, 1984 - Clerbrook Resort Campground,
Clermont, Florida

Informal business meeting Thursday evening, March 22, 1984 presided over by Louis Griggs.

Appreciation was expressed for job well done as secretary by Janet Bell. She is no longer able to serve, so volunteer asked for. Helene Hinderliter agreed to give it a try.

No minutes of previous meeting (but were included in earlier Newsletter).

Rally next year (which is always same time in March)--Jean McMasters and Pat (John) Fitzgerald agreed to co-host again with provision it be held closer to Palm Beach. No dissension.

Any suggestions on by-laws changes are to be sent in writing to Maybel Griggs at Cumberland, MD address. By-law revisions are to be acted on at National Rally in October 1984.

Maybel Griggs suggested 1985 Rallies be set up now.
